American Hipster

The Smush - a new fad.

**If you are born with enough money you really
don't need to know that much about it.**

He's a walking Brain fart.

Feeding on the pain of the world.

He's like a great Dane released at a toddlers birthday party

He's as crooked as a dogs hind leg.

Conclusions in search of evidence.

80 countries in the world have elected a woman leader

The lesser of two evils is less evil

**Stay focused on the issues. Take the higher ground.
It shows greater contrast. Don't get sucked into his energy.
If you get sucked into that vortex you'll get sucked down
the toilet**

Living life on lives terms.

When your depressed you have this learned helplessness.

**No one ever went broke underestimating the
intelligence of the American people.**

**They have been been gathering and cracking up every
rube,racist,,nut jobs,idiots, sexist, homophobes
in the country and calling them republicans and
finally voted for one of their own.**

If I lighten your mood don't darken mine!

He's an insult wrapped in a riddle wrapped in a opportunity.

Its a reaction to the moment we find ourselves in.

We Owe something to the people who make us better.

There is nothing stupider than an intellectual.

Find out what is riling up the roobs

He knows a guy that knows a guy that knows a guy.

Peoples capacity for self -illusion is boundless

**The US is 5% of the worlds population
and uses 75% of the prescription drugs
in the world.**

**Why do we have private healthcare insurance companies
at all?Shouldn't insurance be for things you aren't sure about?
You get car insurance because you aren't sure you're
going to have an accident.**

**You can be sure of one thing. Someday you are going to get sick
and at some point you are going to die.**

Why do you need insurance for that?Don't you just need healthcare?

Why should life and death and sickness be up for the profit motive?

**When he was a child he used to imagine what it
must be like to have an imaginary friend**

He named the stick up his ass,"Hank"

He smells with his tongue

The world has lost more than half its wildlife in 40 years.

**Most coastal cities will face routine flooding
in our lifetime.**

2015 is the warmest year on record.

**Seas are rising at fastest rate in last 28 centuries.
Researchers estimate that the cost of relocating
the 13.1 million people displaced by sea-level rise
would be 14 trillion.**

A new study shows us methane emissions are drasticly

underestimated. Scientist warn of the perilous climate shift within decades not centuries.

Numbers of managed honey bee colonies are plummeting. Nasa says melting ice sheets are changing the way the Earth wobbles on its axis.

Wild fires,once confined to a season burn earlier and longer

In the Arctic the ice sheet is melting and the Russians and Chinese are trying to get the resources that are now revealed.

Peabody Energy,the worlds largest Coal company filed for bankruptcy. It was worth 20 Billion Dollars. Now its worth 38 Million.

The coal industry has gone from a market cap of 69 Billion to 4.8 Billion.

Pretending you are making a difference when you are just making yourself feel better.

Constantly crapping on yourself. Don't fix anything.

Fears Drives more people to the polls than Joy

He speaks at a third grade level

76% of statements are false

The Human Adapter – He'll fit in
anywhere with anyone

Your Self -Valuation

Making due with nothing was a family tradition

The Reluctant Artist

The Life at the end of a dirt road

Its just the cost of doing business
Everyone needs a way to decompress . I have many

Artists are very volatile creatures

They are music videos intended to titillate the senses

Hogback Growler

The world is a rich tapestry

He uses criticism as fertilizer

Silent Retreat

Life Filter

Counter Culture

70 % of the land devoted to agriculture
is devoted to meat production. That's
almost 1/3 of the entire surface area for
Red Meat,Pork and Chicken.

It takes 25 hundred gallons of water
to produce a bushel of corn

An animal eats 50 bushels of corn
in its time in the feed lot

To produce a single pound of beef
requires 1,800 gallons of water

Nearly half of the countries fruits
and vegetables are grown in California

Can we make connections like human beings?

Art should elevate
Democrats fall in Love
Republicans fall in Line

Good acclimation to what the
environment needs to be

Effective – Observe – Identity – Absurdity

I've pushed may musical genres to new levels

Practice Self – Accusation

Everybody likes it when the underdog does well

He knew everyone's name and what was
happening in their lives. His dream was to be his own boss

<u>Current favorite movies and Cable Series</u>
_____ Movie : Fido
Cable Series : Penny Dreadful - 13 Monkeys
Walking Dead – Hunters – Bordertown
Better Call Saul - American Horror Story
Face Off – Grimm – Ink Master

there are 66 compounds in the marijuana plant .
The two most common are CBD and THC.

Cannabis is so often thought of as something
that stunts motivation and drive. That dulls the intellect.
But when the culture is recognized and accepted
and weed innovation is fostered it becomes a catalyst
for innovation

A kind of process in overcoming outdated biases

Mud Splashes everywhere

If you want to go fast fast,go alone
But If you want to go far go together

Once a Monster Always a monster

Everything seems to take a backseat to their feelings
and their sensitivity. We don't have to worry about it
because its not going to last. Its going to survive
contact with reality.

He's the most thin skinned person in history
and reacts to the smallest slights.
With the hair trigger of a wounded ego of
a male flight attendant.

Catty – Fatty and Batty

She seems too rehearsed and inauthentic

He's a master of repackaging himself

You feel trapped. You refuse to help yourself
because you think you deserve what's coming
but you don't.

She's got Rhino Skin

its dangerous when we focus on the
process and not the substance

He's completely uneducated
about any part of the world

He may not be one of us but we
know he's not one of them

I need something from you so
I'm going to find what you need.

Once you adapt to your environment
you'll be better in phase with your reality
So its important what your environment
is and how you choose it.

Its like whistling past the graveyard

Intent on his purposes and content

**Its been a fascinating exercise in
human nature and the power of the ego**

Be more calculated more focused more disciplined

**The beginnings of creating a song begins
with a skeleton.Basic Chords then you
add the flesh ,the hair, the eyes.**

**America is better when everyone
has access to opportunity**

Its about Goods and Services

**We don't like him but sometimes
you need to use a rat to kill a snake.**

**When the moderates don't do their job
the radicals will promise something.**

It sounds crazy but its coming from a rich guy.

**The novelty has worn off and we've
forgotten why we liked it in the first place**

She's a national figure but so was Ted Bundy

We learn to manage our expectations

**A unwavering belief in our own capabilities.
It is essential to the point. It keeps us
functioning at a high level.**

**I was brought up from nothing to
become what I (needed) wanted to be.**

**The studies say that laughter contributes
to the sense of well being more than anything else
Understand the climate and culture of the times**

Boomerang money

Doesn't live by anybody's else s rules

I'm the type of guy that does things the way
you need to do things to get things done.
With what he's got to get where he is

Create your Own Art Site
Create your own music site

We learned to decipher his emotional alphabet
and learned to communicate without words

I've been an outsider looking in.
Others are insiders looking out

A witness of the human condition

The power of a portrait lies in that fraction
of a second when you catch a glimpse
of that persons life

Respect their territory

We live by the heat of the fires we didn't like

There's at least a hundred million
tons of plastic in the ocean

Bisphenol A is a chemical used to make hard clear
plastic and is produced at over 7 billion pounds per year.
And its non recyclable plastic and its being thrown away
into the environment.

Media Seed

He's been able to get us to adapt to absurdity.
He's greatest ability is to get people to overlook his flaws.

Rufus Bing – Mustard Greens – Bobby Venus – Tony D'Wonderful
Danny Dupa - Vito Vasalini

Visible Light contains several different wave
lengths that can be detected by the human eye

The Berry beam consist of only one wave length.
For this reason it remains concentrated and very powerful

20 million watts per cubic center meter

A Negatively charged electrode positioned in the cavity's center and creates an intensely hot spark fueled by Sodium

Pressurized gas like oxygen is forced through a narrow cavity

Plasma is gas superheated to the fourth state of matter. It's found burning on the sun or like flashing in lightening

The Berry Resonator creates it's unique capabilities by converting gases into surgery like energy. A resonator within a housing channels. A
direct current into a tube containing a gas like Carbon Dioxide .The current
excites the gas which in turn emits photons of light

I usually operate from a place of need not one of demand

The DAY about 58 years later when the three cycles are synchronized
at their minimum values

Demonstration – Viewpoints of Demonstration – Imitation
of The Correct Model – Repetition

The government wants to control access to the middle zone.
In the process to create living zones to be occupied by various groups
like drug addicts,criminals and other supposed undesirables

There is a a new happening in Lowell MA

Most of the money that pays for campaigns is from lawyers,big business
or Wall street.And it comes from the big cities of New York,San Francisco
and L.A. Or Martha's Vineyard.How do you run a campaign against the
money pot.

Willy Sutton said : Go where the money is

Lucid Dreamscapes

The Silent Coop

Motion and Movement

Starting from nothing and making good

If you want to sell something Its a good idea to make people curious about it

Its not the results its the effort

She reads the buns book

Are our bodies in rhythm

I've got street culture
What's your specialty, notions, charms, suggestions, potions

Money creates nothing but soap bubbles,
power and property you can't use

Put your shoes on Buddy Don't you know you are in the city.

I read people like postage stamps

The Moon and the Gutter

Interview outline : Find out what they have done. What they are doing now. Outside Interests.

Virgil Virile and the Prohuman Flirts

Fruit of the sea

I'll love you until your breast go south

Hound Of Heaven

Love is wine and marrage is a floor mop and two pounds of hamburger

tastes like corrugated cardboard.

Sleep positions :semi -fetal,back,royal,starfish,full fetal(curled up)

Hold on
pillow. First sleep together face on. Year or two spoon position. three
to five years own position touching each other

Monster Profile Lance Eggbert Gargoyle (pronounced gargirl)
Human Monster Tamer

Rub ice on my nipples
Kind,Gentle,Warm,Compassion. The way I am.
I care about people just because they are people
not a prize or symbol

Fear is like hanging on to a piece of wood during a flood
